

3040-D Ski Trip & Snowboard Permission Form CONSENT & WAIVER

Completion of this form is required for student participation in a skiing/snowboarding field trip. Parents will have also read and signed Form 3040-B Field Trip Consent Form. It is understood that the following rules will be strictly enforced as part of the field trip:

1. All students and supervisors on ski/board trips are required to wear helmets at all times while boarding or skiing.
2. All students who will be skiing or boarding are required to take lessons at the beginning of the day before accessing the hill. As part of the lessons the instructors will determine which areas of the mountain students will be allowed to access according to their level of ability. Some students may be limited to lower-mountain lifts and easier runs.
3. All students are strictly forbidden from entering terrain parks or other areas of jumps, rails, chutes, etc., and from skiing out of bounds
4. Any student found to be in contravention of rules, particularly in regard to helmets, lessons, terrain parks, dangerous or risky behaviour, or being out of bounds, will have his or her privileges immediately revoked for the remainder of the day. Further measures will be taken as necessary in terms of disciplinary action at the school, and parents will be informed.
5. Students will abide at all times by the direction of trip supervisors and patrol staff that work for the resort. This includes students who are not skiing or boarding, but are involved in other activities such as luge, tubing, cross-country skiing or outdoor survival skills training.
